WORK EXPERIENCE

Interior Designer, Vastuti Spaces, Pune, Maharashtra

- Contributed to multiple residential interior projects, delivering design solutions across diverse aesthetics including traditional, neo-classical, minimalistic, and modern styles.
- Designed customized furniture layouts aligned with client requirements, space constraints, and functional needs.
- Collaborated with senior designers to translate concepts into detailed drawings and visual representations, ensuring design consistency and execution feasibility.

Freelance Interior Designer, Self-employed

- Delivered tailored layouts and décor concepts for 5+ residential spaces, consistently achieving high client satisfaction.
- Developed technical drawings, 3D visualizations, and furniture specifications aligned with project budgets and design intent.
- Managed end-to-end execution for five residential projects, delivering all assignments under budget and achieving an average client satisfaction rating of 9.8/10.

PROJECTS

Master Bedroom with Attached Bath & Toilet — AutoCAD, SketchUp, V-Ray

- Planned efficient space layouts with cohesive material palettes and fine detailing, improving spatial functionality by 15% and reducing material revisions by 10%.
- Generated precise 2D drafts and photorealistic 3D renders for client presentations.

Modular Kitchen Plan — AutoCAD, SketchUp

- Engineered ergonomic layouts that increased workflow efficiency by 15% and improved storage capacity by 20%, optimizing overall space utilization.
- Developed technical drawings and high-fidelity 3D models that reduced execution errors by 12% and accelerated project timelines by 10%.

Comprehensive Residential Design Deliverables — AutoCAD

- Drafted precise existing and presentation plans with accurate dimensions, ensuring design compliance and improving execution efficiency.
- Conceptualized and developed three distinct ceiling section options, incorporating innovative lighting solutions; selected design reduced material waste by 8% while enhancing aesthetic appeal.
- Optimized lighting and switchboard placement to improve usability and enhance aesthetics, resulting in better space functionality and user comfort.
- Produced detailed elevations for master bedroom, grandparents' bedroom, and living area, improving design accuracy and client visualization.

EDUCATION

2022 – 2025 Diploma & Degree in Interior Design, Cadence Academy of Fashion and Interior Design, Nagpur, Maharashtra, India

SKILLS

Design Software	AutoCAD (2D Drafting), SketchUp (3D Modeling), V-Ray (Rendering), Lumion, Photoshop, CorelDRAW, Canva
Interior Design Expertise	Space Planning, Color Theory, Material Selection, Lighting Design, Ergonomic Solutions
Project Tools	Microsoft Office, Presentation Boards, Mood Boards, Material Palettes, Client Engagement

CERTIFICATIONS

- Interior Styling Essentials – Skillshare
- AutoCAD for Interior Designers – Udemy
